

ICCE-2010

10th International Conference on Clean Energy

Celebrating Prof. T. N. VEZİROĞLU's
**LIFE-LONG
 CONTRIBUTION
 TO CLEAN
 ENERGY**
 Famagusta, North Cyprus
 SEPTEMBER 15-17 2010

Call for Papers

Papers, poster sessions and special sessions are solicited in the following topics.

- | | | | | | |
|------------------------|-------------------------|--------------------|---------------------------|----------------------|-----------------------|
| Hydrogen Economy | Geothermal Energy | Waste-to-Energy | Environmental Problems | Energy Awareness | Energy Storage |
| Solar Energy | Hydropower | Nuclear Energy | Environmental Remediation | Risk Analysis | and Depletion |
| Wind Energy | Ocean/Tidal/Wave Energy | Clean Coal | Energy Management | Economical Appraisal | Intelligent Grids |
| Hydrogen and Fuel Cell | Biomass and Biofuels | Clean Fossil Fuels | Energy Policy | Energy Conservation | Intelligent Buildings |

Keynote Speakers

- | | | | |
|--|--|--|---|
| Prof. Dr. T. Nejat Veziroğlu,
Miami University, USA | Prof. Dr. Glenn P. Jenkins,
Eastern Mediterranean University, N. CYPRUS
Institute Fellow Emeritus, Harvard University, USA | Prof. Dr. İbrahim Dinçer,
University of Ontario, CANADA | Prof. Emeritus Robert Hastings,
Architecture, Energy and Environment Ltd,
SWITZERLAND |
|--|--|--|---|

Deadlines and Important Dates

- | | | | |
|--|--|---|--|
| January 30, 2010
Submission of abstracts for review | March 1, 2010
Authors of abstracts notified | April 30, 2010
Final manuscripts due | July 15, 2010
Deadline for early registration |
|--|--|---|--|

The conference is organized by

Energy Research Centre (ERC) of Eastern Mediterranean University

In cooperation with

Clean Energy Research Institute (CERI) of University of Miami
and International Association for Hydrogen Energy
